### Driving Quality for the North East India

QCI Secretary-General, Shri Chakravarthy T. Kannan, Dr. A. Raj (CEO-NBQP), and Shri Subroto Ghosh (Head-PPID) met with Dr. Arun Kumar Sarma, Director General of NECTAR, an autonomous body under the Department of Science and Technology, Government of India, to discuss the pivotal role of quality in driving social and economic development in the North Eastern Region.

The discussion centered on leveraging technology to empower communities, institutions, and people, ensuring inclusive growth and sustainable progress in the region
