Simon Phukan
Sr. Administrative Officer

Section 1: Introduction

About BCDI:

The Bamboo & Cane Development Institute (BCDI), established in Agartala in 1974, provides skills to handicraft artisans. North East Centre for Technology Application and Reach (NECTAR), an autonomous institute under the Department of Science and Technology, the Government of India, has been entrusted with the responsibility of running and management of to provide multi-disciplinary services in the field of skill, design, technology, research, and education.

Request for Proposal:

BCDI C/o NECTAR proposes to participate in the bid for qualified interested vendors to supply Steel/Copper bottles for training programs as per the following descriptions:

S.No	Bottle Specification	A bottle is required in a batch.
1.	Steel Bottler: <ul style="list-style-type: none">• Cap with steel inner thread,• Capacity 500ml.• Diameter: not more than 6cm• Design: Narrow and Straight• Weight 200-210gm.	500-1000 pc
2.	Copper Bottler: <ul style="list-style-type: none">• Cap with Copper inner thread.• Capacity 600-700ml.• Diameter: not more than 6cm• Design: Narrow and Straight• Weight 200-210gm.	500-1000 pc

Section 2: Invitation of Bids:

NECTAR invites bids for **empanelment (for two years)** to supply Steel/Copper bottles for the training program as per the description mentioned above to BCDI, c/o NECTAR, Agartala.

The Bidders can be a professional individual or a Business entity having adequate experience and exposure to the supply of Steel/Copper bottles. Bidders must read the complete RFP before submitting the Bids. The bidders should submit their bids in a sealed envelope with technical and Financial proposals as Annexure A/B given at the end of this RFP document.

Section 3: How to Apply and Selection Criteria.

Interested firm / Individual may apply in the prescribed format (Annexure A & B) and submit documentary credentials related to similar work experience and other documents as per details given below (Relevant proof of documents shall be furnished in the bid):

1. Minimum 3 years of experience in the supply of bottles and similar field (preferable for the government sector).
2. License from the relevant authority (if any).
3. Must have GST No.
4. Address proof, ID proof, firm's details (if other than an individual).

“Preference will be given to Micro Small & Medium enterprise (MSME), Start-up entities and Class I local suppliers as per the procurement guidance note published by the Department of Expenditure, Ministry of Finance, Govt. of India”.

The application along with documents and a Demand Draft of Rs. 10,000/- (Nil for MSME) in favour of **BCDI c/o NECTAR** as Earnest Money Deposit (EMD) refundable in all respect should be forwarded in a sealed cover by **post/courier/hand to the Project Coordinator, BCDI c/o NECTAR, Lichubagan, Agartala, West Tripura – 799010** super scribed as "**Application for Supply of Steel/Copper bottles**" with proper address, mobile no, email id (if any) of the supplier/vendor. The application should reach us by 21 days, i.e., 15.09.2024 (up to 5:00 PM) from the date of the advertisement/tender published in the CPP/website/Other media.

A Committee of Members will open the Bids on a suitable date, which will be intimated. After evaluating the Technical Bid, the financial bid will be opened for qualified bidders, and the lowest bidder's cost will be selected as L-1. The empanelment will be processed after the signing of the standard empanelment agreement with NECTAR as per mutual terms and conditions. Offers of empanelment shall be given to L-2, L-3, etc., if they desire to supply the Steel/Copper bottles at the rates as revealed by L-1.

All communication and information should be provided in writing.

NECTAR reserve the right to reject the offer submitted in response to this RFP at any stage without assigning any reasons whatsoever.
